# What is Super Summer

First, let me tell you that Super Summer is not for the entire youth group. It is for the few students who meet requirements and are recommended by their youth pastor or pastor. Super Summer is for those students who want to soar on wings as eagles. Students will be compelled to reach beyond their potential and explore God's strength and power.

Super Summer focuses on the leaders from each youth group. It is not for the casual Christian or non-Christian. Super Summer is NOT your average summer youth camp! It is an intensive discipleship driven and development camp for specific teenagers in your church. Super Summer is only available to students that have just completed the 8<sup>th</sup> grade through students who have just recently graduated from high school. Teenagers that come to Super Summer should be a Christian; actively sharing their faith, involved in an on-going small-group Bible study, living a lifestyle that honors Christ, and display a potential for leadership. To help you determine who from your group might be a candidate for Super Summer, we have produced an application form for you to use.

Super Summer exists to inspire and equip students as Kingdom-minded leaders. Super Summer focuses on 5 core values; spiritual growth, Spiritual Disciplines, Leadership, Evangelism, Discipleship, and Service/Ministry.

Super Summer Louisiana will be a training opportunity for youth ministers to bring Christian young people who are interested in advancing their personal spiritual growth. Super Summer will continue to grow as the need for student leaders intensifies.

Super Summer Louisiana is led by an executive team made up of youth ministers, pastors, and laymen. Super Summer Louisiana takes place at Louisiana College in June each year. Weeks will be added as needed.

We hope Super Summer Louisiana will provide a cutting edge vision and resource to churches and youth pastors that will effectively explode this generation of Christian teens into a world that desperately needs hope and salvation. Super Summer participants will be positioned to be at the front of the line for intern and staffer positions at camps and ministry positions.

Super Summer exists to inspire and equip students as Kingdom-minded leaders. Super Summer focuses on 5 core values of spiritual growth, Spiritual Disciplines, Leadership, Evangelism, Discipleship, and Service/Ministry. In order to provide a highly effective camp and a quality environment, anyone who would like to serve on the Executive Staff is required to attend the retreat. Executive Staff may serve in one of four roles to lead their school during the week of camp.

The four roles are: Deans, Assistant Deans, Team Leaders, Team Leader Coordinator. Executive Staff retreat exists to train, inspire, and prepare for Super Summer. Dear Pastor,

Thank you for your interest in the support of Super Summer Louisiana. Our goal and purpose is to provide training to youth pastors and leadership students in the areas of evangelism, discipleship and leadership skills. Because of this, our camp is structured differently than other camps and is designed for a specific type of student. It also requires that we have a specific time of training for anyone in a leadership role to insure everyone understands their part of the mission for the week. We understand the inconvenience this can bring to your church and because of that, we take seriously the responsibility of using that time wisely. That is why we also want to take the time to tell you our purpose and goal of our Team Leader Weekend planning time.

Our belief is by equipping the top leaders in your student ministry, they will be in a position to make a significant impact in the life of your church. In order to do this, we ask that only leadership students be allowed to attend. To help with this, we have set guidelines that can be used to help evaluate a student's readiness concerning attending Super Summer. **During the required interview process** (conducted by the Youth Pastor or Leader), the following criteria should be taken into consideration.

1. Has made a commitment to follow Jesus
2. Has an active devotional life
3. Regularly attends and supports youth ministry events at their home church
4. Is an active leader in their total student ministry
5. Has a positive witness/testimony outside of church and with their family
6. Expresses a willingness to share their faith with their peers

Our second belief is that Super Summer should provide training and spiritual renewal for the leadership involved. This includes youth pastors and volunteer leaders who will be in direct contact with students during the week. Our purpose for team leader weekend is to allow time for the teaching teams to come together as a family while they are learning about their specific responsibilities. One of the great strengths of Super Summer is the interaction in the small group discussion times that are held after each large group teaching session. It is imperative that these small group leaders be adequately prepared to facilitate small groups. We have also found that there is a great need for spiritual renewal and reflection in the lives of our leadership staff before they are called on to pour themselves out into the lives of the students. This is a major emphasis of our team leader weekend which culminates with a consecration service. Because of this, we have come to the conclusion that the team leader weekend, which is held the Saturday and Sunday before the week of camp is a **required event**. It is virtually impossible for someone to miss this weekend and be in step with or prepared to meet the needs of the students you will be sending.

Again, we want to say thank you for your support of student ministry in your church and in our state. Should you have any other questions, concerns or need more information about Super Summer Louisiana, feel free to contact our director at the number or email listed at the top of this letter.

In Christ,  
Super Summer Louisiana Leadership Team

# CHURCH AND CAMPER REGISTRATION

Super Summer will use this registration packet to get you, your students, and your adults registered for Super Summer. During the registration process, you'll be using this document quite extensively as you prepare to bring your students. We are constantly working to improve our registration process to make it as quick and easy as possible, while maintaining a high standard. In the future, registration will be online.

---

## MANAGING REGISTRATION

### OPENING REGISTRATION

We allow for students to be registered through their church. Supply your forms to your students, give them a deadline to turn them in completed, check to make sure all information is completed, then mail the info to us. Students are not allowed to register themselves.

### REGISTER YOURSELF

As soon as you have downloaded the registration forms, we encourage you to go ahead and register yourself.

### ADULT CAMPERS

Super Summer relies on adults and college staffers (Team Leaders) to help us execute the logistics of camp. We would love to encourage you and your adult chaperones to help us with the camp experience by being willing to volunteer. There are several ways you can get involved: be a dorm supervisor, run a game at recreation, security, etc. Complete descriptions of the areas we need to cover are available for review when you register for camp.

### DURING THE REGISTRATION PERIOD

After you give students the forms we encourage you to regularly contact them to ensure they turn in completed forms to you on time. Be sure to cancel the registrations of students who do not turn in forms with their payment.

### CANCELLATIONS

If a student needs to cancel, you can cancel him/her until the last cancel date, according to the fee structure. Please remember to check the fee structure, as any applicable late fees will be assessed and your church and the student will be responsible for making those payments.

If a student cancels his or her registration and circumstances change allowing him or her to come to camp, the student may be un-cancelled without penalty, provided space is available.

### SUBSTITUTIONS

Once camp is full, the only way to bring in additional students is through substituting a camper who wishes to cancel. Julie will walk you through the process of cancelling the camper who can no longer attend and replacing him or her with the new camper. The cancelling camper will be responsible for any late fees assessed, and the new camper will be responsible for the registration fee at the time they register, based on the fee structure.

## **HOUSING AND ROOMMATES**

Because Super Summer understands housing is a critical component to the atmosphere and camp experience, we do our very best to accommodate roommate preferences as they have been supplied by the youth leader. You play a critical role in helping us understand who should be roomed together, because you have personal knowledge about the students who work well together and those who don't. Please pay special attention to the role you play in housing students.

### **HOW IT WORKS**

Super Summer does not allow co-ed housing, even for adults. We will house all of your students, by gender, in the same dorm. We make every effort to put all of your students in rooms adjacent to each other, but in some cases, students may be down the hall or on the floor above or below. Specific details about the housing arrangements will be made available to you when the housing process is complete a couple of weeks before camp.

### **ROOMMATE PAIRINGS**

As soon as camp is full, we will ask you to pair your students based on the preferences they have given during the registration process.

Super Summer will give you a specific number of rooms based on the number of students you have, in each gender. You will need to pair the students in groups of 2, although based on the number of students attending, you may have a couple of rooms of 1. If you choose to not pair your students as they have requested, we encourage you to please make sure you have that conversation with the student campers. If you don't, the students will see their roommates when it is publicly released by Super Summer, and we cannot accommodate roommate changes once all housing is complete.

Also, if circumstances allow, we encourage you to avoid housing one student with one adult.

### **ROOMMATE CHANGES**

You will have a limited window in which you can make changes to campers and their roommates. After this window is closed, we will be unable to accommodate any roommate change requests.

---

## **SCHOOL ASSIGNMENTS**

All Senior High campers are assigned to Schools. Within each School, the students are assigned to a Family Group, led by a college staffer called a Team Leader.

### **SCHOOLS**

All campers will be divided up into Schools (8-10 students) designated by the colors Red, Orange, Red, Silver and Gold.

Changes in School colors are only allowed during a limited change window AND only if an even swap can occur. After this window, we are unable to accommodate changes in School assignments.

## AGREEMENT

- Students selected for Super Summer have been through our church's interview process meeting the Super Summer criteria and our church's requirements to attend Super Summer.
- Team Leaders that are representing our church are adults that are spiritually mature and will be an asset to Super Summer Louisiana by modeling Christian leadership and investing in the lives of the Super Summer campers.
- All persons attending Super Summer will attend camp all week. We understand that Super Summer is not a come and go camp. If extenuating circumstances arise, we will contact Super Summer to discuss the circumstances.
- Executive Staff members and Team Leaders will attend Team Leader Weekend. We understand that they need to be on campus for training on Saturday and Sunday.
- Our church is providing an adult (Exec. Staff, Team Leader or Office Staff) to serve as our church's contact person. They will be at camp on campus all week with our students.
- We recognize that our church is attending camp with Super Summer Louisiana. Therefore, we must communicate with Super Summer if extenuating circumstances or problems arise. We understand that Super Summer is ultimately responsible for the people that attend Super Summer.
- Our church's COMPLETE church registration is due by May 5<sup>th</sup> in order to avoid late fees. Incomplete registration packets will not be processed until all items have been received.
- Super Summer Church Registration closes on Friday, May 5<sup>th</sup> or when the week is full.
- All registration forms have been checked for accuracy and are complete. Our registration packet has been put together in order to assist with the registration process.

## DRESS CODE

The Super Summer dress code is intended to provide an equitable dress code for all campers that encourage modesty above legalism. Parents and church leaders are urged to see that only clothing that meets the policies and regulations of the camp and campus is brought to Louisiana College. Please do not bring to Louisiana College clothing that you sense would be questionable for a Christian camp setting.

Since Louisiana College is a Christian institution with a distinctly Christian atmosphere, the New Testament principle of modesty should always be the standard for dress at Louisiana College. It is the responsibility of the sponsors from each church to model the standard and enforce the camp dress code.

While on the campus of Louisiana College, campers may not wear tank tops, apparel that exposes the midriff, or extremely tight fitting clothing. Apparel may not display or promote tobacco, alcohol, controlled substances or inappropriate language/images. Shoes and shirts must be worn at all times outside dorms, except while swimming.

While going to and from the swimming areas, ladies must wear shoes and long covering over their swimsuits. Modest swimming suits are appropriate while swimming. A dark t-shirt must be worn over two-piece swimming suits. Men should not wear tight fitting swimsuits and they must wear shoes and a t-shirt with their swimming suit while going to and from the swimming area.

Shorts, dresses and skirts should be modest in length. Slits in dresses and skirts are also to be modest in length. Modest shorts are allowed any time of the day, except during the evening Celebration service. Jeans, pants, slacks, dresses and skirts of appropriate length are acceptable during the evening Celebration service.

Super Summer will seek to assign roommates as desired. However, there is no guarantee that this can be accomplished. Registration or changes after original packet has been submitted may not be honored. The final decision for roommates is up to the Super Summer office.
