BUILDING BRIGHTER FUTURES FOR CHILDREN IMPACTED BY FOSTER CARE

At our core, we believe in the power of community to uplift and support children and families impacted by foster care. Our Community Outreach initiatives are designed to engage the wider community in meaningful ways, ensuring every child has the resources and support they need. We are committed to uniting community members who want to make an impact and creating a supportive environment where children can thrive.

By collaborating with churches, local organizations, and civic groups, we bridge the gap between community generosity and the needs of the foster care system. We invite you to join us in this mission, whether through volunteering, hosting a drive, helping with events, or supporting our programs. Your involvement can help build a more connected and compassionate community where every child has the opportunity to succeed.

Foster Care Support

Our Foster Care Support programs walk alongside children, parents, caregivers, and caseworkers throughout the foster care journey. We provide First Night Supplies for children entering care, supervised family visits, parenting classes, kinship beds, family strengthening services, and a safe, welcoming space for children awaiting placement. Each service is designed to meet practical needs, strengthen families, support reunification, and help children feel cared for during uncertain or difficult seasons.

Foster Care Closet

The Foster Care Closet provides clothing, shoes, diapers, baby equipment, hygiene products, school supplies, and other essentials to children and families impacted by foster care and kinship care. Families can visit the closet in a welcoming, dignified environment and select the items their children need at no cost. By helping relieve the financial burden of caring for a child, the closet allows caregivers to focus more fully on helping children feel safe, comfortable, and supported.

YOU+CO Youth Development Program

YOU+CO provides ongoing support, meaningful relationships, and a sense of belonging for teens and young adults who have experienced foster care. Through individualized case management, community nights, life-skills development, mentoring, resource connections, and special activities, young people are surrounded by caring adults who are committed to walking alongside them. YOU+CO also includes opportunities for young people to share their experiences, build confidence, develop leadership skills, and help shape services through the Youth Advisory Board.

*A glimpse of what
your generosity builds.*

If it were not for Fostering Community, I would most likely be on the streets, never graduated, or even went to high school. They help me view my future differently and made me realize I actually can have a future no matter how bad my past looked. Fostering community made me realize my worth and see the potential that I thought was long gone. Fostering Community changed my life for the better.

BE THE BRIDGE FOR CHILDREN IMPACTED BY FOSTER CARE

JOIN OUR MONTHLY GIVING CIRCLE: BRIDGE BUILDERS

Every child impacted by foster care deserves stability, support, and a community that shows up. Bridge Builders are monthly donors who help bridge the gap from the moment a child enters care through every step of the journey. Every recurring gift helps build a bridge to belonging, healing, and hope.
